OUR GOAL

Colinton Village Enterprise exists to improve social and cultural life in Colinton by making positive changes to the area through projects and events.

THE SHED (COACH HOUSE) PROJECT

Our immediate ambition is to transform the historic Outbuilding in Spylaw Park into our own Community Heritage Hub.

We want to save the building and refurbish it as a heritage centre, which can provide

- a tourist bureau for the local area, attractions and services;
- a gallery and exhibition space for local and visiting artists and historians;
- an activity and performance venue for local groups and professional artists;
- and a refreshment pit-stop for those who use the Water of Leith walkway.

The Shed will be at the heart of the village, open to all, strengthening community ties, reducing isolation and acting as a social hub for the people of Colinton.
